

Parts

JAGUAR V8 TIMING CHAIN KITS \$649
 4.0L 1997-2003
 INCLUDES: 4 CHAINS, 4 TENSIONERS, 4 SLIDES, 4 GASKETS AND 18 SEALS

OR
 This kit contains 2 camshaft chains with easy master links. Now you can replace the FAULTY upper chain tensioners without removing the front timing cover. This allows the mechanic to replace both upper chains and tensioners in just 2 HOURS.

\$99⁹⁵

A complete list of all my Jaguar parts and kits are available online through my Ebay Store at

MOTOR Distributor Automotive Information

Are you interested in becoming an Independent MOTOR Distributor? Since 1930, MOTOR has been the leader in automotive repair information. You would be part of an elite group of commissioned independent distributors selling to established accounts and opening new accounts in a protected territory.

MOTOR Information Systems sells a complete line of Professional Software and Repair Manuals.

The ideal candidate will possess:

- 3+ years of outside sales experience
- Automotive Aftermarket experience
- A verifiable record of success
- Computer Literacy (Windows, Excel, Word)
- An entrepreneurial spirit
- Financial stability
- A suitable vehicle & laptop computer.

Please e-mail your resume to: HR@motor.com.
