H GENUINE PARTS

XTRB™ Torque Rod Bushing

When a truck is pushed to the limits in a tough environment, Hendrickson's XTRB™ is the best torque rod bushing for the job.

By combining bonding technology and a mechanical design, the XTRB™ provides an incredibly high amount of walkout resistance and durability while maintaining the performance of the suspension.

Contact Hendrickson toll-free at 1-866-755-5968 or www.xtremetr.b.hendrickson-intl.com
