

Run Your Shop More Efficiently With The MOBILE UNIVERSAL TRAILER TESTER (MUTT)

HERE'S HOW...

- Stay Mobile • Maximize Time
- Eliminate Guesswork • Reduce Man-hours & Overhead

SPEND A LITTLE & SAVE A LOT!

On average, the MUTT pays for itself within 45 days. The MUTT saves a technician a MINIMUM of 10 minutes inspecting a healthy trailer and 45 minutes to several hours fixing a problem trailer. This is made possible by the advanced onboard diagnostic features, mobile design and wireless remote.

“HEALTHY TRAILER” INSPECTION SAVINGS

Return of Investment Calculator:

TIME SAVED PER TRAILER (MINUTES) X TRAILERS SERVICED PER MONTH / 60 MIN. X HOURLY OVERHEAD(\$) = MONTHLY SAVINGS(\$)

| EXAMPLE | Minimum MINUTES Saved Per Trailer | HEALTHY TRAILERS per DAY | HOURS Saved Per MONTH | MONEY saved per MONTH * | RETURN OF INVESTEMENT |
|--|-----------------------------------|--------------------------|-----------------------|-------------------------|-----------------------|
|  <p>Shop One was using a homemade unit but now uses 7900A MUTT Lighting Tester</p> | 10 | 2 | 8 | \$666.67 | 50 Days** |
|  <p>Shop Two was using a tractor but now uses 7900A MUTT Lighting Tester</p> | 15 | 2 | 13 | \$1,000.00 | 36 Days** |
|  <p>Shop Three was using a tractor but now uses 7900AP MUTT Lighting & Air Brake Tester</p> | 25 | 2 | 21 | \$1,666.67 | 21 Days*** |

* all numbers based on \$80/hour rate ** based on suggested list \$1199 ***based on suggested list \$1895
